Benefits of Media Mashup

ADD ANYWHERE TEXT EDITOR IS PRESENT

- Add mashup
- as a standalone content using the build content.
- Add to test questions, discussions, assignments, as an item, in a journal, blog, wiki, etc

- There is no need to go outside of Blackboard to find what you need.
- No need to download and save.
- Licensing information/reference is provided.

TARGET DIFFERENT TYPES OF LEARNERS

- Target different types of learners:
- Visual learners
 - Reading/Writing learners
 - Auditory learners

- Use video to explain complex problems or steps.
- Use your own video and upload to YouTube

USED TO SIMPLIFY & EXPLAIN COMPLEX PROBLEMS
